

"Senarai Email Yahoo Groups"

Cara menghantar email dengan lebih berkesan adalah dengan menghantar ke 50 alamat email setiap 30 minit, cuma "Copy" setiap satu line dan "Paste" pada ruangan "To". Setiap satu barisan ada 50 alamat email Yahoogroups.

** Pastikan Anda Mendaftar Dahulu Kesemua Yahoo Groups yang saya berikan untuk memastikan Iklan anda keluar di Muka Hadapan setiap Yahoo Groups. (anda boleh daftar secara berperikat)

NOTA PENTING :

Mengikut pengalaman saya dan nasihat para pakar, adalah lebih baik anda melakukan "Post Message" sekali sahaja dalam 24 jam. Ini kerana jika anda melakukan "Post Message" yang sama terlalu kerap dalam sehari, kemungkinan "Moderator" akan sekat keahlian anda pada group. Bermakna keahlian anda akan disekat secara automatik.
